Document ID: KS-OPS-003 | Version 1.2 | Effective date: 2026-02-01

1. Return window

Unused products in their original, unopened packaging can be returned within 30 days of delivery. A return authorisation (RMA number) must be requested in the web store before sending goods back.

2. Restocking fee

Returns of non-defective products are subject to a 15% restocking fee. Return shipping for non-defective products is paid by the customer.

3. Non-returnable items

Cut-to-length products such as cable from a drum, custom orders, and opened hygiene-sensitive PPE such as disposable gloves and ear plugs cannot be returned.

4. Defective products and warranty

Defective products are covered by a 12-month warranty from delivery. Kestrel pays return shipping and replaces or credits defective items after inspection, without a restocking fee.
